

#22 WESELTON Weselton! The Duke of Weselton. (to Elsa) Your majesty, as your most profitable trading partner, it's about time we met face to face. And what a wonderful face you have. With some queens, what you get is what you get. But you are a model queen.

#23 WESELTON Might I tempt you with my tango? Don't worry I'll lead you. (he performs a ridiculous dance move) I never heard of a queen who can't dance.
